8 am – 12 pm

Where:

Host a drive at your business!

About Communities In Schools of Arizona:

Established in 1994, CISA champions the connection of needed community resources with schools to help young people successfully learn, stay in school and prepare for life. CISA works with more than 75 schools throughout Arizona to deliver programs and services addressing the educational barriers of under privileged students. During the last year, CISA leveraged more than \$1 million in cash, programs, goods and services for more than 14,000 local school students.

Host a Supply Drive

Host a supply drive at your organization, church, or social club. Bins for collections will be provided by SRP. CISA will provide posters and fliers to help with marketing for your drive. CISA will pick up donations for all drives that collect 2 or more bins of backpacks and supplies. To host a drive, fill out and turn in the Supply Drive Registration Form on our website at www.cisarizona.org.

Sorting and Pickup Days

We need volunteers on Sorting Day (Fri. & Sat., Aug 1 & 2) to help sort and stuff backpacks. Two to four hour shifts from 9 am to 3 pm will be available. Snacks and water will be provided. Individuals, families, and groups are welcome.

We also need volunteers on School Pickup Days (August 4 & 5) from 8 am to 12 pm to help load backpacks as schools come to pick them up from the sorting location.
